

Mentoring Plan

You know more than someone who needs it. Start with one person and one thing worth passing on.

One young person or group I could begin mentoring:

One specific thing I know that's worth teaching them:

Ways I'll invest beyond just giving advice:

Teach the why, not just the how

Let them struggle productively

Celebrate their wins

Tell them plainly that I believe in them

Be patient with beginners

The first step I'll take this month:
