

# Setback-to-Comeback Map

---

*Turn a fall into a map for the next climb. A setback is tuition, not a verdict.*

**The setback, named plainly:**

**The most useful lesson it taught me (the tuition I paid):**

---

**One thing I'll keep from the original dream:**

---

**One thing I'll change about the plan:**

---

**One person I'll ask for help:**
